

Book of the Term:

PSHE

In PSHE our topic is 'Being Me in my world', we will be learning about friendships, and how we learn best.

Music

In Music this term we will be learning about rhythm and pulse.

Art

In Art this term we will be looking at sculpture. We will be using a range of techniques to make a bird sculpture.

Squirrels Term 1

Knowledge Organiser

Phonics and Maths

We will continue our phonics and writing in our Read Write Inc groups.

In Maths we will be using number lines and focusing on 'more than', '1 less than' and putting numbers in order both forwards and backwards.

Computing

In computing this term we are learning how to log onto the computer, and use the keyboard.

RE

Our key questions are 'Who made the world?' and 'What does a creator look like?'

Geography

We will be learning about our local area through aerial photographs and maps.

Science

In Science we will be learning about the seasons and how different elements of the weather are affected in different ways.

Key Vocabulary	
seasons	There are four seasons each year, autumn, winter, spring and summer.
autumn	In autumn, the weather begins to get colder. The leaves start to fall from the trees. The amount of daylight becomes less. This means the daytimes are shorter and the night times are longer.
winter	In winter, the weather is much colder. Sometimes it is cold enough to freeze, leaving frost and ice on the ground. It sometimes snows. Many trees have bare branches as all their leaves have fallen off. The daytimes are the shortest in the year and the night times are the longest.
weather	The weather includes the temperature outside, the wind direction and strength, as well as rain, cloud, snow and sun.
daylight	Daylight is when it is light outside. The amount of daylight changes with each season.

In PE we will be doing football with Miss Miles.

We will also be doing Gym and learning a dance routine with Mr O'Reilly.
