

Year 1 Term 3 Knowledge Organiser

Phonics and Maths

Book of the Term:

Rapunzel.

PSHE

Our topic is called 'Dreams and goals'. We will look at aspirations, how to achieve goals, and start to understand the emotions that come with achieving success.

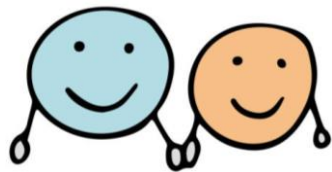

Art

In Art this term we will be doing an artist study on the Artist John Constable. We will be making our own landscapes in his style

Music

In music this term we will be making links between music, sounds and environments and using percussion, vocal and body sounds to represent the seaside.

RE

This term our Key Question in RE is:
'Was it always easy for Jesus to show friendship?'

Phonics and Maths

We will continue our phonics and our writing will be linked to Rapunzel. In Maths we will be looking at addition and subtraction and we will be partitioning numbers.

Computing

In computing our focus is 'Programming a robot'. We will be using basic coding an programming skills to move Beebots.

History

In History this term we will be looking at the Great Fire of London. We will also look for comparisons with the Great Fire of Marlborough.

Science

This term we will be looking at seasonal change, as well working scientifically and completing some simple science investigations.

Key science vocab:

Key Vocabulary	
seasons	In the UK, there are four seasons each year. They are spring, summer, autumn and winter.
autumn	In autumn, the temperature begins to get lower and it can be quite chilly and windy. It starts to get darker earlier in the day. Some animals get ready to hibernate and some types of trees lose their leaves.
winter	Winter is the coldest season of the year. It can be very rainy and windy and it might even snow. Not many flowers are in bloom during winter and lots of trees have lost all their leaves. Some animals hibernate during winter and many are less active than in the warmer months.
weather	The weather includes the temperature outside, how windy it is and rainfall (how much it rains). We can also describe cloud, snow and sun.
daylight	Daylight is when it is light outside. The amount of daylight changes with each season.

PE

In PE we will Balance Bikes with Miss Miles and with our class teachers we will be doing Dance.
